Seit Ende 2018 haben wir unser Sortiment um Hortensien erweitert. Durch den exklusiven Zugriff auf die **N(eue) H(ortensien) S(elektion)** - Sorten des Züchters Wilkes können wir Ihnen bewurzelte und unbewurzelte Jungpflanzen und Rohware im 14er Topf anbieten. Die Mutterpflanzen stehen in Anholt und die 20jährige Erfahrung mit der Kultur war und ist Grundlage des neuen Hortensien Sortiments.

 *Since the end of 2018 we have expanded our range with hydrangeas. Due to the exclusive access to the **N(ew) H(ortensia) S(selection)** varieties of the breeder Wilkes, we can offer you rooted and unrooted young plants and half-finished plants in 14cm pots. The mother plants are in Anholt and the 20 years of experience with the culture was and is the basis of the new hydrangea assortment.*

 *Eind 2018 is ons sortiment uitgebreid met hortensia's waarvan wij de rechten hebben. Exclusief is de nieuwe hortensia selectie van de veredelaar Wilkes in ons programma opgenomen. Wij kunnen u nu bewortelde en ongewortelde stekken en halfwas produkten leveren in 14cm pots aanbieden. De moederplanten staan in Anholt en met een 20 jarige ervaring in de teelt van hortensia's is dit een goede basis voor het sortiment.*
