Niniejszym przedstawiamy zaktualizowany katalog nasion i sadzonek!
Jak widzicie, został on zaktualizowany tak, aby najważniejsze informacje były przedstawione za pomocą ikon. Znaczenie można łatwo znaleźć dzięki dodatkowemu składanemu papierowi na ostatniej stronie. Za pomocą kodu QR, znajdującego się obok produktów, zostaniecie przekierowani na naszą stronę internetową, gdzie, w razie potrzeby, znajdziecie bardziej szczegółowe informacje.

Nasz asortyment jest, jak zawsze, starannie opracowywany po przeprowadzeniu wielu testów, zarówno podczas produkcji, jak i na polu testowym. Dopiero wtedy jest on włączany do naszego katalogu, aby zapewnić gwarantowaną jakość dla nas, dla Ciebie i dla klienta końcowego!
Oprócz obecnego asortymentu znajdziecie oczywiście także kilka nowości (strona 4), które doskonale przeszły wszystkie testy.

Obydwa zespoły naszych firm rodzinnych są gotowe do ponownej współpracy!
